Ottawa, ON Monday April 3, 2006 STEVA Sports Software Inc. is proud to announce they have entered into an agreement with United Soccer Leagues to provide their video analysis software, STEVA Football (Soccer) DVD, to all franchises under USL's umbrella.

"We are thrilled to have USL select STEVA Football DVD for their video analysis needs. We look forward to developing a strong relationship with all teams as we integrate our video analysis software," said David Hess, President of STEVA Sports Software.

"STEVA is an innovator in the video analysis software sector providing a versatile and professional product," said James Ward, Director, Business Development. "Video analysis software is a powerful tool when it comes to breaking down matches and practices as it allows coaches to easily and effectively capture, organize, and evaluate different tactical and technical situations."

STEVA Sports Software, founded in 2004, has quickly grown into a leading supplier of video analysis software. Professional and amateur teams alike use STEVA products because of their commitment to provide professional quality software and service at affordable prices. Terms of this agreement were not disclosed. www.stevasports.com

About USL - The largest organization of elite-level soccer leagues in North America, United Soccer Leagues is dedicated to growing the sport at the grassroots level in every community.
